

A MESSAGE FROM THE PRINCIPAL

Mountain View Elementary School would like to extend our sincerest gratitude to the many area companies who have shown their immeasurable support of our school. Within the Mountain View community, we have seen the positive impact of our Business Partners' generous donations of volunteer time and resources.

By teaming up with our Business Partners, we have successfully implemented vital programs to enhance curriculum and initiatives which provide our students with the tools necessary to be victorious in their academic endeavors. Our mission at Mountain View is "To Educate Lifelong Learners." One way we continue to achieve this goal is through the continued dedication of our partners.

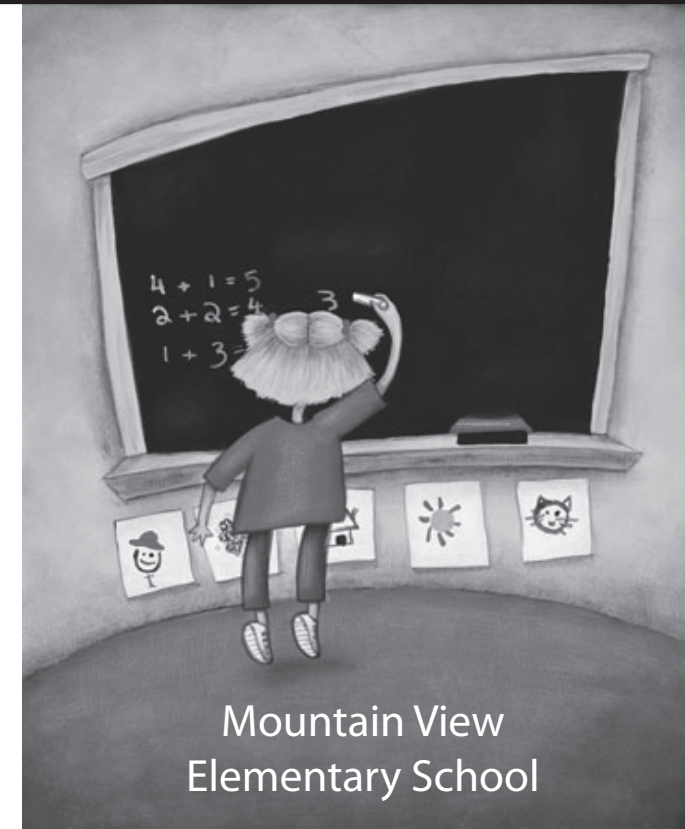

Please join me in acknowledging these businesses for their tremendous support of Mountain View Elementary School.

Sincerely,

Kirsten Fisher
