

Paving the Way

...to success

**ONLY 10
SPACES
LEFT
BEFORE
THIS
SECTION IS
SOLD OUT!**

Greening MVES, our new landscape initiative, was kicked off on Earth Day with the installation of two seating areas, 2 crabapple trees, a dogwood tree, a birch tree, and some cleaning up of the butterfly garden. Mrs. Phillips class planted a redbud to join in the fun, and Mrs. Calloway's class is planting a cherry tree this week.

It's not too late for you to join in the fun, too! We're adding one final round of installation this spring. Purchase a brick and we'll custom engrave it with a personalized message of your choice to celebrate your time here at MVES.

Get etched in stone today!

To purchase a permanent, personalized brick, please complete this form and return to MVES with a check for \$50 per brick (includes brick, engraving, shipping, and installation). Checks should be made out to MVES PTO and attached to this form. **Credit Card orders are accepted online at www.mountainviewpto.org. 100% of your contribution goes to the new landscape initiative.**

Questions? Contact Candice Helmlinger at chelmlinger@verizon.net. MVES reserves the right to approve all brick text.
