

A MESSAGE FROM THE PRINCIPAL

As the 2010-2011 school year comes to a close, I would like to extend sincere gratitude, on behalf of the entire Mountain View community, to the many companies who have helped contribute to the success of our school programs. Mountain View continues to see the many benefits and positive impact of our Business Partners' generous donations of materials, support, funds and volunteer time.

With their assistance, our school has effectively implemented the essential programs necessary to enhance curriculum and initiatives which provide our students with the tools necessary to be successful in their academic ventures. We continue to achieve our mission of "Educating Lifelong Learners," due to the strong commitment our partners have shown.

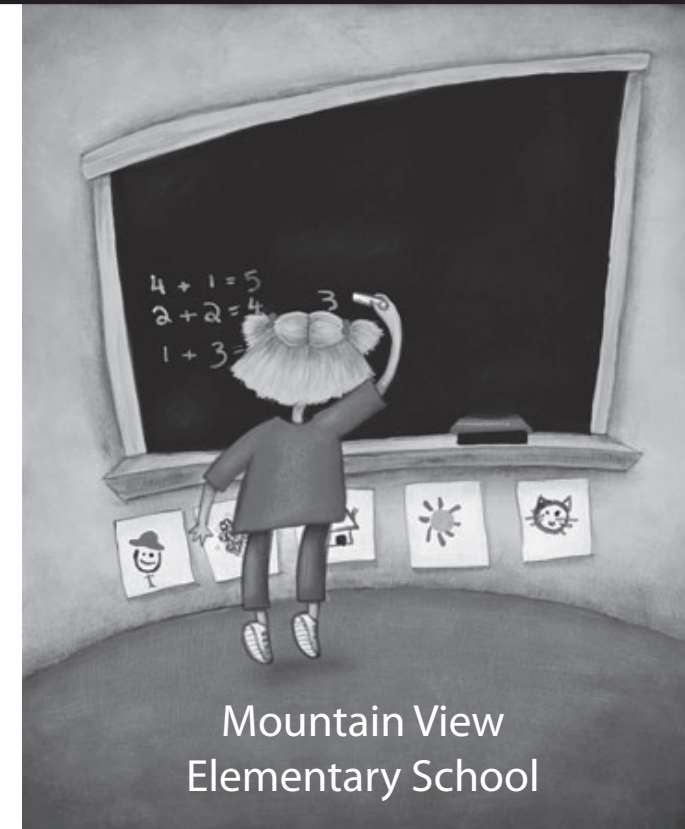

It is my privilege to acknowledge these businesses for their exceptional support of Mountain View Elementary School.

Sincerely,

Megan Barton
Principal
