MVES Company Sponsor Bricks Available!

We're showcasing our school with a unique program where students can leave a permanent reminder of the fun they've had here at MVES. We're also offering a special opportunity for companies that support Mountain View. Companies may purchase an 8X8 brick that has a cougar paw and company name permanently engraved. Your brick will be there for generations to come, promoting your support of MVES! Bricks will be mingled in with 4X8 student bricks that will be installed in new seating areas leading up to school. Be sure to see the display in the school entrance and check out the new landscaping plan that ties in educational elements to beauty and greening MVES.

Thank you for supporting MVES where we're *Educating Lifelong Learners!*

To purchase a permanent, personalized company sponsor brick, please complete this form and return to MVES with a check for $100 per brick (includes brick, engraving, shipping, and installation). Checks should be made out to MVES PTO. Credit Card orders are accepted online on the PTO website www.mountainviewpto.org.
