Performance Information

- *Please encourage a quality performance.*
- **Performances are restricted to 1 1/2 minutes.**
- Students are limited to one act (exceptions being participating in a class performance or if aiding a sibling)
- Singing to the Karaoke version of the chosen song is preferred.
- All act content chosen must be appropriate for K thru 5 grade levels. ***Please vet your child’s music, choosing songs with appropriate content.*** (We feel terrible having to tell a child their chosen song can’t be used!!)
- Bring any music required for your act on a CD at the time of audition. A copy will be made then for use in the show.
- **Music cannot be edited by show volunteers.**

Announcer Information

Students will announce each act in the show. If your child would like to be an announcer instead of performing, please write “Announcer” for “Type of Act.” (Performing students cannot be Announcers, too.)

Permission Slip

Once your child is registered by email, we will send back the permission slip. You may also download it from the PTO website. **Print the permission slip**, complete and return to school (**do not send electronically**) no later than January 29th. **It is not for show registration – only permission to participate.** Register by email as detailed above.
